

SYSTEM CONVERSION

Effective June 1, 2026

MESSAGE FROM THE PRESIDENT & CEO

As we prepare for this upcoming transition, I want to first share how incredibly proud I am of the Align team.

Our employees have been working tirelessly behind the scenes to make this change as smooth as possible for you. Many have put in long hours, taken on additional responsibilities, and remained fully committed to serving our members every step of the way. Their dedication and care are what make Align special.

This transition is part of our continued effort to improve your overall banking experience. We are investing in better technology, stronger security, and more efficient systems so that we can serve you more effectively, both today and into the future.

We understand that change can sometimes feel inconvenient, and we truly appreciate your patience and trust during this time. Please know that our team is here to support you. If you have questions or need assistance, we are ready to help.

Thank you for being a valued member of Align Credit Union.

With Gratitude,
