

Smart choices for managing your money.

Checking that fits your life.

Choosing the right checking account can be downright confusing. At Align, we make it easy to build an account that fits you today, with the flexibility to grow and change as you do.

First, start with our Align Checking Account.

- + No Monthly Maintenance Fee
- + FREE Align VISA® Debit Card with EMV chip technology
- + FREE access to over 27,000 ATMs
- + FREE eServices: Online and Mobile Banking*, BillPay, eStatements, Remote Deposit

Second, make it your own by choosing the **Money Management** package that fits your banking style. Start with Connect for the basics. Then, as your relationship with Align grows, so do your benefits.

Understanding ATM Access

Figuring out ATM fees can be complicated. Here's the lowdown on how it works. When you use a non-Align ATM, there are two types of fees you could be charged. First, there is a small fee from Align. However, all of our Money Management packages include a certain number of waived transactions.** Second, there is a fee charged by the institution that owns the ATM. Unfortunately, we don't have control over that amount, but most of our packages also include fee reimbursement so you're covered up to a certain amount.

Align also belongs to the NYCE, SUM and CO-OP ATM Networks. This gives Members access to over 27,000 ATMs for FREE!

**To be eligible for all Money Management packages, you must have a Membership Savings Account, Align Checking Account and Align Debit Card. Your membership will be reviewed monthly to determine the Money Management package you qualify for. If you no longer meet the requirements, you will no longer receive the benefits of the Money Management package. You will receive a certain number of waived ATM transactions at non-Align ATMs, depending on the package you qualify for. After that, there is a \$1.00 fee per transaction. Must be enrolled in eStatements for at least 90 days to qualify for ATM reimbursements. Waived/reimbursed fees must be requested by the Member and only apply to deposit account and credit card fees excluding finance charges.
