Celebrate Align's 103rd Anniversary!

Join us in celebrating this milestone with **Birthday Boxes** for families in need. These boxes, filled with birthday essentials, will help families provide a birthday cake for a child who may not otherwise have one.

How You Can Help:

During the month of October Align Credit Union branches will have donation boxes available where you can donate essential “ingredients” that will help ensure a memorable birthday. We'll partner with local charities to deliver these boxes to families in our communities that need them most.
