Align Credit Union Supports National Breast Cancer Awareness Month

Lowell, MA, October 24, 2016 - Align Credit Union is pleased to support National Breast Cancer Awareness Month in their branches in October. Align's Amesbury branch supported Anna Jaques Hospital's "Pink Up the Port" initiative with a casual day. Staff members were allowed to wear pink casual clothing on Friday, October 21st. The staff members in the Danvers branch participated by purchasing pink t-shirts from the Danvers Fire Department to support the department's Breast Cancer Awareness fundraiser.

"About one in eight women born in the United States will get breast cancer in their lifetime but many women can survive this horrible disease if it's treated early," said Align President Ken Del Rossi. "Align is proud to be part of this important initiative that helps spread the word about the importance of early detection."
