Align Credit Union Celebrates the Opening of Its New Framingham Location

Lowell, MA, June 21, 2016 - Align Credit Union was pleased to commemorate the recent grand opening of their new location in Framingham, Massachusetts with a ribbon cutting ceremony on June 16th. The branch, located at 235 Old Connecticut Path, replaces the former location at 969 Concord Street.

Before a gathering of Align Members and employees and MetroWest Chamber of Commerce members, State Representative Chris Walsh presented Align with a Commonwealth of Massachusetts House of Representatives Citation.

In conjunction with the grand opening, Align hosted a Homebuying Workshop on June 11th and a Chevrolet Car Sale with Herb Connelly on June 17th and 18th. They are also hosting a Shred Day on June 25th from 9am to noon. The event is open to the public. Each person is invited to bring one standard Banker's Box of documents to the new Framingham location for shredding for free.

"We are excited to celebrate the relocation and grand opening of one of Framingham's longest standing financial institutions," said Paul Joseph, MetroWest Chamber of Commerce President and CEO. "This branch's welcoming design, convenient location and friendly atmosphere perfectly supports Align Credit Union's commitment to Member-centricity. The Align team is clearly invested in the success of their Members and the communities in which they do business. We are honored to have them as a member and Community Builder Sponsor of the MetroWest Chamber of Commerce."

"We've been getting a great response from the community. They love how the new space is so bright and lively and we've been seeing lots of new and familiar faces at our grand opening events." said Tom Hammond, Align EVP/CFO. "Our Team Members are energized and looking forward to continuing to help the Framingham community with all their financial needs."
