## Align Credit Union Announces New Addition to Branch Management Team *Rick Murray Hired as Framingham Branch Manager*

Lowell, MA, October 2, 2015 - Align Credit Union is pleased to announce that Rick Murray has recently joined the Align team as Branch Manager at the Framingham location at 969 Concord Street. As Branch Manager, he will oversee daily operations, business development and Member service.

"I love it when a Member comments on our extraordinary level of service," said Rick. "It's gratifying to hear that they really appreciate how much we go above and beyond compared to the attention they received at other financial institutions."

Rick has more than 12 years of retail banking experience. Before joining Align, he was Branch Manager at Citizens Bank, Century Bank, Santander and Admirals Bank. He has studied at Suffolk University in the management program and at UMass-Lowell in the music education program. He is a notary public, Life Underwriters Training Council Fellow and previous holder of Series 7, 63 and 65 investment licenses. He has coached speed skating, cycling and flag football for the Special Olympics for 20 years and his family was inducted into the Massachusetts Special Olympics Hall of Fame in October 2014.

He lives in Arlington, Massachusetts with his wife Kay. They have four children.

"We're excited to have Rick join the Align team," said Align President, Ken Del Rossi. "His experience, skills and commitment to the community make him the perfect person to manage our Framingham branch. We're confident that Rick will continue to provide our Members with expert guidance and customized solutions."
